Subject: Path Forward Community Update

I am happy to report we have another week with no new cases of COVID-19 in residents or team members.

Today is an exciting one at The Legacy as we reopen our salon for residents. We are learning that the littlest things we took for granted before the pandemic are the ones bringing immense joy to residents.

We are continuing work on guidelines for indoor visitation and expect we will have more to share next week. Please continue to remember everything we are doing is with the safety of residents and team members in mind. We also continue to request if your loved one lives on the ground floor, you refrain from entering their apartment from the patio.

If you would like to schedule a virtual visit with your loved one, you may do so here:

For screen porch visits, you may sign up here: <https://www.signupgenius.com/go/picnicvisits>.

As always, we are thankful for everyone's cooperation, patience and prayers during this time.

As a reminder, all updates can be found online at www.thelegacyatnorthaugusta.org/pathforward.
