**Subject: Path Forward Community Update**

I am happy to report we have another week with no new cases of COVID-19 in residents or team members who have been at The Legacy at North Augusta. We do have one team member who was traveling and tested positive prior to returning to Virginia. Since this individual tested negative before leaving Staunton, this positive result does not affect community operations. The team member is doing well and will return to the community after a quarantine period.

Next week on April 21 from 12:30 – 1:30 p.m., we are holding a virtual showcase of the Memory Care Neighborhood. Last year around this time, we were supposed to have a grand opening, which was postponed due to COVID-19. If you would like to attend or have any friends or relatives interested in The Legacy, please RSVP at [www.thelegacyatnorthaugusta.org/showcase](http://www.thelegacyatnorthaugusta.org/showcase).

As always, we thank you for your continued patience and commitment to assisting us in keeping your loved ones well.
