

**Date: September 1, 2020**

**To: All residents, families & team members**

**From: Cherie Powers, Executive Director**

**Subject: Path Forward Community Update**

I am happy to report that again, The Legacy at North Augusta has no active cases of COVID-19 in residents or team members.

This week, we are completing the state mandated universal testing needed to officially enter phase one of reopening. We do not expect that anyone will test positive, as no residents have shown symptoms of COVID-19. However, if we do receive a positive test result, we will alert the family of the resident who tested positive, and will provide a plan of care.

As you can imagine, our path to “normal” will be a slow one. Our number one priority remains keeping The Legacy free from COVID-19. We will continue with all social distancing, masking and infection control measures.

We continue our Picnic on the Porch visits with residents and family members. This has continued to be a great opportunity for families and residents to engage together. Visits are scheduled through this link: [www.signupgenius.com/go/picnicvisits](http://www.signupgenius.com/go/picnicvisits). In addition to the Picnic on the Porch, residents are now able to visit on the porch in person, with proper precautions. These visits are scheduled through the same link as Picnic on the Porch visits. Visits are scheduled through this link: [www.signupgenius.com/go/picnicvisits](http://www.signupgenius.com/go/picnicvisits).

If you do not live close and cannot visit in person, virtual visits are still available here: <https://www.signupgenius.com/go/legacyvirtualvisits>

All updates can be found online at <https://www.thelegacyatnorthaugusta.org/pathforward>

As always, we thank you for your continued patience, support and prayers. We pray you are staying well during this time.
