

Date: February 2, 2021

To: All residents, families & team members

From: Cherie Powers, Executive Director

Subject: Path Forward Community Update

In our testing last week, we did not identify any new cases of COVID-19 in our community. We are working on plans of easing restrictions to allow for small gatherings. We are also evaluating when we can safely reopen in-person visitation.

We held our second vaccine clinic on Friday. We had 100% participation by residents, which will certainly be a step in the right direction. We have one final vaccine clinic in February that will vaccinate any individuals that are new to our community that need the second dose. The CDC is updating their vaccination website with guidance on what to expect with restrictions following the vaccine. We will continue to follow the CDC guidelines to ensure the safety of residents and team members.

As we complete the final vaccine clinic, we are working on plans to safely reinstate social gathering events that are important to our residents and family members.

If you would like to schedule a virtual visit with your loved one, you may do so here:

<https://www.signupgenius.com/go/legacyvirtualvisits>.

For screen porch visits, you may sign up here: <https://www.signupgenius.com/go/picnicvisits>

As always, we are thankful for everyone's cooperation, patience and prayers during this time.

As a reminder, all updates can be found online at www.thelegacyatnorthaugusta.org/pathforward.
